Utmost Group, a leading global provider of insurance and savings solutions, today announces the successful completion of its Lombard International integration project.

Lombard International, now known as Utmost Luxembourg and led by Jurgen Vanhoenacker, has been integrated with Utmost's international life assurance division, Utmost Wealth Solutions. This milestone follows the completion of the acquisition in December 2024 and reflects Utmost's commitment to delivering scalable, client-centric wealth solutions globally.

Going forward Utmost Luxembourg's operations and client servicing are now fully aligned under the Utmost Wealth Solutions banner, presenting a unified brand identity to the market. The rebrand reinforces Utmost's continued commitment to Luxembourg as a strategic hub for Utmost's European operations, alongside the Group's existing presence in Ireland, ensuring regulatory continuity and choice of jurisdiction for customers.

The combined business, Utmost Wealth Solutions, is a market-leading provider of insurance-based wealth solutions with £107.1bn (€124.9bn) of Assets Under Administration and serves around 200,000 customers, as of 30 June 2025.

Utmost's priority is now focused on taking advantage of the opportunities across its core international markets and investing in capabilities to ensure the delivery of excellent customer service for all clients.

**Paul Thompson, CEO of Utmost Group**, commented:

"This integration and rebrand marks a pivotal moment for our wealth solutions business. By bringing Lombard's deep expertise and strong client relationships into the Utmost Group, we have significantly enhanced our scale, value proposition, and ability to serve clients across Europe. **Jurgen Vanhoenacker, CEO of Utmost Luxembourg**, said:

"The successful integration of Lombard International into Utmost has strengthened our ability to deliver the highest quality service to our clients and to support their long-term financial plans.
