ILP SUB-FUNDS PERFORMANCE

We have selected an extensive range of ILP Sub-Funds to maximise your investment opportunities through your FOCUS Plan. Most offer potential for growth and each is managed by world-class professional asset managers. The ILP Sub-Funds range from those suitable for the risk-averse through to those willing to take a high level of risk.

These performance figures should be read in conjunction with the following documents, which include full details of the FOCUS product and its available ILP Sub-Funds, including fees and charges which will impact negatively on individual invetment returns:

› FOCUS ILP Sub-Funds Brochure

› Product Summary and Terms and Conditions

SYNTHETIC RISK AND REWARD PROFILE

INDUSTRY STANDARD

To help you select the ILP Sub-Funds that best fit with your approach to risk, Utmost Worldwide Limited use the Synthetic Risk and Reward Indicator (SRRI)^. This does not constitute investment advice and should be used as a guidance tool only. For more information on SRRI please refer to our FOCUS ILP Sub-Funds Brochure.

RISK SCALE

INTERPRETATION

References to 'we', 'us', 'our' or 'Utmost Worldwide' mean Utmost Worldwide Limited. References to 'you' or 'your' mean a Planholder. We have written this document in the singular, which includes the plural, and vice versa. Likewise, the masculine includes all other genders.

Capitalised terms shall have the same meaning as the defined terms within your Terms and Conditions and in the Product Summary.

'ILP ' means a notional investment created within your Plan, which corresponds to an Utmost Investment, and which is used to determine the value of your Plan.

'Utmost Investment' means an underlying fund, as applicable, purchased by us to correspond to ILP Sub-Funds selected by you.

IMPORTANT NOTES

^The 'Synthetic Risk and Reward Indicator (SRRI) was defined in 2009 by the Committee of European Securities Regulators (CESR) with the aim of providing investors with a method of assessing an underlying ILP fund's risk. This SRRI calculation has been provided by Morningstar based on guidelines provided by the European Securities and Markets Authority (ESMA) and Morningstar's interpretation, methodology and implementation of said guidelines.

Please note that the categorisation of an ILP Sub-Fund is not constant and may change overtime.

©2026 Morningstar. All Rights Reserved. The information, data, analyses and opinions ("Information") contained herein: (1) include the proprietary information of Morningstar and Morningstar's third party licensors; (2) may not be copied or redistributed except as specifically authorised;(3) do not constitute investment advice;(4) are provided solely for informational purposes; (5) are not warranted to be complete, accurate or timely; and (6) may be drawn from fund data published on various dates. Morningstar is not responsible for any trading decisions, damages or other losses related to the Information or its use. Please verify all of the Information before using it and don't make any investment decision except upon the advice of a professional financial adviser.

Morningstar is a leading provider of independent investment research in North America, Europe, Australia, and Asia and Morningstar Inc. is an independent entity to Utmost Worldwide Limited.

We link the benefits of your Plan to the return from your chosen ILP Sub-Funds which is subject at all times to investment risks and market fluctuations.

Utmost Worldwide calculates the return and value of your Plan based on the performance and value of your ILP Sub-Funds.

It is your responsibility to read and understand the offering documents relating to the ILP Sub-Fund(s) that you or any third party authorised by you are considering for selection. Each ILP Sub-Fund is subject to investment risks, including market risk, interest rate risk and exchange rate fluctuations. The Plan Investment options available to you will have different features and risk profiles and some may be of high risk. The value of ILP Sub-Funds and their performance may go down as well as up.

You should note that investment involves risk. Past performance is not indicative of future performance, and you may not get back the full amount that you invested, particularly in the early years of your Plan.

Planholders and/or their investment advisers are responsible for their investment decisions and any choice of ILP Sub-Funds is entirely at their own risk. Please note that the value of ILP Sub-Funds (as well as the income accruing to an investment) may go down as well as up.
